## About This Game

A love story tainted with secrets, in the rhythm of Jay's songs and characters with unique personalities. Incarnate Lyla, a young high school student, as she lives her last year and meets Henry, the shy and rather unlikeable new boy.

Lyla is intrigued by this very mysterious boy...

Investigations, love and friendships fill this adventure!

Will Henry fall for the charming Lyla? Will he tell her all his secrets?

Strong points of the game:

- 80 illustrations created by Nineland
- Lovable characters, animated with Live2D
- Original Soundtrack
- A replay system that allows you to relive your favorite scenes
- A scenario full of plot twists: Love, friendship, humor, sadness and mysteries.

le secret d'henri - visual novel français

I really want to play this game, I bought it a while ago, but whenever I try there are no characters on the screen, just a white box in the upper right hand corner. I tried uninstalling and reinstalling, but that did not help. I want to be able to play and leave a positive review, but I can't right now.
